- All first days of the tours are days to arrive at the starting place. We do transfers from the closest international airports (Sofia, Varna, Bucharest, Burgas) or from our hub (Varna) to the tour's starting place. Early arrival the same day means there will be time to take a loop ride, to visit nearby highlights, to make bike adjustments or to relax. All last days of the tours are non-cycling days, planned for departure flights of those who will leave or to other activities for those who will have post-tour stay.
- All self-guided tours start every first Saturday and third Thursday, marked in yellow, of each month from April to October.
- ★ We offer a special discount of **-15%** (-10% for self-guided) for a group of 4 and more participants, who get their flyer on the Fair/ Expo/ Event. The individual booking gets **-10%** off (-5% for self-guided). These discounts apply to reservations confirmed within the month of the Fair/ Expo/ Event.
